Company Info:

- Family owned & operated
- In business for over 90 years
- 380+ CK Family members
- 11 Locations
- 3 Assembly/ Manufacturing facilities

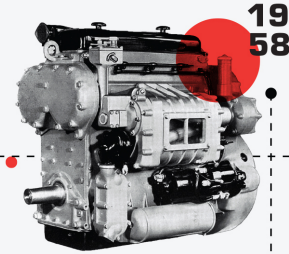

OUR HISTORY

We pride ourselves on our years of experience with product innovation, flexibility/ reaction to markets and customer service/support.

Founding of Western Machinery Company in St. Louis.

Detroit Diesel engine line became focus of business.

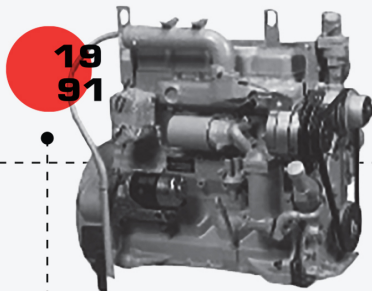

CK Power was created as a segment of Costello Kunze (CK) Ford in Florissant, MO.
